Criteria3-Research,InnovationsandExtension(QIM3.4.1)

Response

QIM 3.4.1

Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years. The institute believes that along with academic excellence the holistic development of its students are the prime objectives of education. We often motivate our faculty members and students to involve themselves in various extension activities in the neighborhood. The students must be sensitized to the issues in society such as importance of cleanliness and hygiene, water conservation, environment conservation, gender equality.

Environmental & Social Issues : The institute are aware the students ,society about the sustainability of environment hence we are continuously taking the programs like Celebration of Wildlife Week, Celebration of ozone day, Awareness Campaign on World Environmental Day in Collaboration with UNEP, Ganesh Idol making Workshop, E-waste Survey in Nearby Villages of Shegaon, Competative Exam Guidance Programme, Celebration of Wildlife Week, National Science Day Programme, Poster competition on Wild-life conservation and Management, DNYANFEST-2020, Cloth Bag Exhibition, Ecofriendly Ganesh Festival Rangoli Competition, Social Awareness Camp, Book Publication Ceremony, Guest Lecture on Sustainable Development, Visit to Wild-life Sanctuary, Guest Leacture Distribution of Plant Sapling, Plantation Programme, Chemical Awareness Camp.

3.4.1 Outcomes of Extension activities in the neighbourhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years

INDEX

Sr.No	Name of the activity	Organizing unit/ agency/ collaborating agency	Page No	Year of the activity

Report on “Ecofriendly Ganesha Idol Making 8 Sep 2021”

The Department of Environmental Science has MOU with Nisarga Katta Akola is made on 3rd September 2021 for 5 years. During this year our department achieves specific outcomes viz; students got an opportunity to know the work culture of an organization, and students got exposure to working on live projects.

Under this MOU department organized a Ganesha Making workshop on 8th September 2021 in virtual mode. In this program, our Principal Dr. R.E. Khadsan is the chairperson of the online Ecofriendly Ganesha Idol Making workshop, followed by Dr. D.L. Bhade gives an introduction to Ecofriendly Ganesha Idol Making Workshop. Mr. Amol Sawant Founder Nisargakatta gives information about the Awareness Campaign and History of Ecofriendly Ganesha to our students. After that a resource person Hands-on training by Mr. Sandeep Waghadkar and Dr. Milind Shirbhate from Nisarga Katta was shown how to prepare the clay and shape the idol with perfection, students learned very well and also use the same idol for Ganesha Stapana at home instead of using readymade plaster of Paris idol. A vote of Thanks was given by Mr. R. B. Barabde. Excellent feedback was obtained from the event. A total of 27 no of the students actively participated in this activity and provides certificates to students in their Emails.

To,

The Principal

Shri. Dnyaneshwar Maskuji Burungale

Science & Arts College, Shegaon.

Subject: Permission to Conduct Survey on E Waste Management.

Respected Sir,

With reference to the subject cited above, department of electronic would like to Conduct survey on E Waste Management in shegaon and nearby villages to create awareness about E waste.

Therefore, please grant permission to conduct the same.

Thanking you.

Head of Department
(Vrushali P. Shelke)

E Waste Management Survey:

1. Your Name:

2. Address:

3. Mobile Number:

4. Educational Qualification: PG ☐ UG ☐ SSC ☐ HSC ☐ Dip ☐ ma ☐ PhD ☐

5. Gender: 1. ☐ale 2. ☐male

6. Occupation

☐ Government Job ☐ Private Job ☐ Farmer ☐ Student ☐ Housewife

7. Which Electronics devices are used at your home (tick appropriate)

☐ TV ☐ PC ☐ Refrigerator ☐ Washing machine ☐ Mobile ☐

Music player

8. Do you know is there any hazardous material used in electronics devices?

☐ Yes ☐ No ☐ I don't know

9. Do you know is there any precious material used in electronic gazettes?

☐ Yes ☐ No ☐ I don't know

10. Do you know about E waste or Electronics waste?

☐ Yes ☐ No

11. Do you think it is necessary to reused or recycle electronics equipment's?

☐ Yes ☐ No ☐ I don't know

12. Do you know is there any law or regulation that manage E waste?

☐ Yes ☐ No ☐ I don't know

13. How do you deal with old electronics equipment's?

☐ Fix it ☐ Reused ☐ Throw ☐ Sell

14. Are you willing to Pay for management of E waste?

☐ Yes ☐ No ☐ Depend upon policy

15. Who must be responsible for E waste production?

☐ Citizens ☐ Electronic devices producer ☐ Municipality

16. How can you contribute in minimizing E waste?

☐ Reused the electronics devices if possible ☐ Increased awareness about

E waste and its management ☐ Increased recycling plant at local level

Title of the best practice: E waste Management

The Context in the 20th Century, revolution in the information and communication techniques brought the huge changes in the way we organise our lives, our economies, industries and institution. Specifically, the electronic industry in the world is the largest and fastest growing manufacturing industry. However, it led to give birth to E waste production. E waste means electronics waste products generated by the electronics industry. E waste produces of massive amount of hazardous waste and other wastes generated from electric products. It constitutes a serious challenge to the modern societies and health issues due to informal recycling, poor awareness and reluctance on part of the corporate to address the critical issues. These thing keep in mind our department decides to take initiative about the E waste awareness among the students and society. Hence series of programmes was arranged in the department including E-waste poster competition, E-waste seminar competition, E waste awareness survey

Objective of the Practice:

- To aware student and society about the E Waste Pollution
- To encourage student for searching the data related to the E waste
- To boost up the presentation skill of the student
- To develop the interest in student other than academics and try to thinks them about society welfare.

Advantages:

- Students took interest in collecting and presented the data related to e-waste
- Number of student express that activity is good it gives new knowledge about the hazardous disadvantage of e waste and survey activity is new and best experience to shear information about the serious problem among the society.
- During survey people admitted that they are not aware about the severity of e waste in future they will take care about its disposal

Challenging issues:

- To recycling of e waste in not possible at college level

Evidence of success:

Department of Electronics has organised the series of E waste awareness program as part of this last week of May 2022 was dedicated to the activity in this activity 200 forms of E waste management's questionnaires were distributed among the students of BSc Electronics. They were visited different people of society and gives the information regarding to the E waste management and fill up the survey forms

E Waste Survey in nearby villages of Shegaon

Resources required:

- Student team to visit the villages
- Technical support team for execution of seminar poster competition and for making survey questionnaires*

Department of Electronics

Title of the best practice: Yoga and Meditation Workshop

The Context: In the era of science technology it is observed that youths are detached from the good habits like physical fitness, yoga and meditation. As the youths are the building block of our nation they should be academically, physically, mentally strong. In this context our department decided to conduct yoga meditation workshop for student to inculcate the physical as well as mental fitness habits in students.

Objective of the Practice:

- The goal of institution is to aware the students about physical fitness
- Teach the student different yogaasans and pranayama and meditation techniques
- To make them know about the benefits of yoga pranayama and meditation
- To develop the interest about the physical fitness through yoga meditation and pranayama

The practice

Department of electronics has organized three-day workshop on yoga and meditation from 27 july to 29 july 2021 in collaboration with The Art of Living Foundation. 109 student of college get benefited by the activity. Mr Ajay daware (Art of living teacher) from khamgaon and Mr. Manoj ingole (District Teacher Coordinator of art of living) from karanja has successfully conducted the workshop from morning 8.00 am to 9.30 am for three days. Where they taught different aasanas like vajrasan ,padmasan, marjari aasan, pavan muktasan, naukasan, tadasan, pshimotanasan etc. pranayama like kapal bhati, bramari , nadishodhan, bhastrika. They focused not only on the teaching but they elaborated all the benefits and steps very nicely also explained different technics of body and brain relaxation technique called meditation.

Advantages:

- Students of the college became aware about physical fitness importance
- Students get benefitted by scientific and proper knowledge from expert resource persons
- As the activity is performed on online platform family members of the student also participated on the same platform.

Challenging issues:

- To create interest in the student about activity
- To convince the student about participation

Evidence of success:

- Number of student express and admitted the feedback that this type of practice gives them healthy and energetic life.

A Report on
CORONAVIRUS (COVID-19)
AWARENESS PROGRAM

18 April, 2020 to 18 May, 2020

Organized by
DEPARTMENT OF COMPUTER SCIENCE
Shri. Dnyaneshwar Maskuji Burungale
Science and Arts College, Shegaon
2020

**A brief report on
CORONAVIRUS (COVID-19) AWARENESS PROGRAM**

Held during 18 April, 2020 to 18 May, 2020

Introduction

In view of the world wide spread of Corona Virus, Department of Computer Science of Shri Dnyaneshwar Maskuji Burungale Science and Arts College, Shegaon has organized a month long awareness online survey programme (18/04/2020 to 18/05/2020). The main objective of this awareness survey programme was to create awareness and educate the College students, faculty, staff and local community regarding symptoms, preventive intervention techniques that would help in reducing the transmission of the disease. This survey also has some limitations such as questionnaires filled by people who can understand English and possess smartphones with internet connectivity.

Background

An ongoing outbreak of infection by Severe Acute Respiratory Syndrome-Coronavirus-2 (SARS-CoV-2), termed as COVID-19, aroused the attention of the entire world. The World Health Organization (WHO) declared the COVID-19 outbreak a "pandemic" on March 11, 2020. The COVID-19 disease spreads through person-to-person contact, and the posed potential public health threat is very high.

To prevent the infection socially, the lockdown was imposed globally. In India, the Central Government also imposed a nationwide lockdown for the first time on March 22, 2020 and continued it up to till date, that is, on April 18, 2020. All transport, hotel, industries, educational sector, offices and so forth were closed immediately, people were left to remain as to where they were at the time of lockdown announcement and during lockdown people started working from home, school and colleges classes are running online, a large number of people shifted on a digital platform. Now it is very clear that COVID-19 is creating very disaster effects globally with India, people are getting panicked, emotionally unsecured, depressed and in a stage of confusion, unaware about symptoms of COVID-19 and its prevention with the cure.

Aim

This programme was aimed to assess the level of awareness and preparedness to fight against COVID-19 among the peoples.

Methods

An online survey was conducted using a self-developed structured questionnaire that was distributed online among peoples via social media application and college website. The collected data were analyzed using MS-Excel 2007 software.

The questionnaire used for the survey have a separate section to know how they commute and interact to peoples, what are their trusted source of information, five question were to collection personal information of participant like name, mobile number, age,

gender, occupation etc, five questions were to evaluate the awareness level of coronavirus in society including symptoms, targeted age group, preventive matrix etc. The process of survey was held from April 18, 2020 to May 18, 2020. Lastly a pledge was given to participant to abide rules of lockdown and directions given by the Government of Maharashtra to prevent the spread of Coronavirus. An e-certificate of participation was given to every participant on their registered mail.

Results:

Among 2882 participants, 1694 (58.76%) were female and 1186 (41.14%) were male. so we got the balance response gender wise. Majority of respondents 1933 (67.07%) aged between 15 to 25 and 800 (27.76%) aged between 26 to 55. Among all participants 1946 (67.52%) were students and remaining participants were from Farmer, Businessman, Defence, Engineers, Doctors and house-wife, etc. All respondents displayed good awareness and preparedness for the prevention of COVID-19. Age, gender, and area were non-significant predictors of COVID-19 awareness.

Conclusion:

As the global threat of COVID-19 continues to emerge, it is critical to improve the awareness and preparedness of the community members, especially the students. The outcome of this study highlighted a growing need for the adoption of innovative local strategies to improve awareness in general population related to COVID-19 and its preventative practices in order to meet its elimination goals.

A Report on “Online Parent Teacher Meeting 2021”

Shri.D.M.Burungale Science & Arts College, Shegaon Dist.Buldana. Parents Meet committee organized Online Parents Teachers Meeting for All B.Sc & B.A Students on 05/07/2021. For this PTM, Principal of our college & IQAC Chairman Respected Dr.R.E. Khadsan Sir & Dr.A.B.Wadekar Sir IQAC Co-ordinator and All faculty members was present. Dr.R.E.Khadsan Sir, Communicate with the Parents & gave them introduction about Foundation of College, all faculty members & their qualification, Facilities provided in the College. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. Whilst this happens on an offline basis, with the current pandemic we took this to a digital platform like Zoom. Around 97 parents participated in the PTM of 2020-21. Parents became aware of the institute's rules and regulations, methodologies of teaching & learning for the overall welfare of students. Parents were encouraged to appreciate student's participation in all academic activities. The PTM came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parents and teachers.

At the end of this Parent Teacher Meet 2021, Dr.Ku.Reena Jivanrao Deshmukh, Asst.Professor in the Chemistry Department & Convenor of this programme offered Vote of Thanks to Principal, all Parents, Teachers those present in PTM- 2021.

प्रति,

मा. डेपो मॅनेजर,

शेगांव डेपो, शेगांव.

विषय : निकोजीत शैक्षणिक सहलीसाठी वस सुविधा मिळण्याबाबत.

महोदय,

उपरोक्त विषयानुसार आपणास विनंती करण्यात येते की, आमच्या महाविद्यालयामध्ये शैक्षणिक सत्र 2017 - 18 मध्ये शिकत असलेल्या बी.एल्सी. भाग - 1, 2, व 3 विद्यार्थ्यांची अभ्यासक्रमाचे नमुद केल्याप्रमाणे शैक्षणिक सहल खालील ठिकाणी दि. 29 व 30 जानेवारी 2018 रोजी आयोजित करण्यात आली आहे.

शेगांव - नागपूर - चंद्रपूर - सादोबा - शेगांव

सदर सहलीमध्ये एकूण 40 विद्यार्थी व 04 शिक्षक, शिक्षकेतर कर्मचारी सहभागी होणार आहेत. सदर विद्यार्थी व कर्मचारी यांची यादी नावासहोत सोबत जोडत आहे.

हरी आपणांस विनंती की, आमच्या आगावची एक वस सदर सहलीसाठी उपलब्ध करून देण्यात यावी. दि. विनंती आपल्या निघनाचे काटेकोरपणे पालन केल्या जाईल.

धन्यवाद

आपला विश्वासू,

R. E. Khadsan
