Annual Report on MOU in the Department of Environmental Science During Session 2021-22

Department of Environmental Science has two MOUs with Nisarga Katta Akola and Vidynyan solar power and electronics industries pvt. ltd. Jawala Tq- Shegaon Dist- Buldana.

MOU with Nisarga Katta is made on 3rd September 2021 for 5 years. During this year our department achieves specific outcomes viz: students got an opportunity to know the work culture of an organization, and students got exposure to working on live projects.

Under this MOU department had organized a Ganesha Making workshop on 8th September 2021 in virtual mode. 20 no of the students actively participated in this activity. A resource person from Nisarga Katta was shown how to prepare the clay and shape the idol with perfection, students learned very well and also use the same idol for Ganesh Stapana at home instead of using readymade plaster of Paris idol. Excellent feedback was obtained from the event.

The second activity under this MOU was conducted as a celebration of wildlife week from 1st October to 7th October 2021 in this week department organized guest lecture series for degree students. This lecture mainly focuses on wildlife and its diversity. Students were highly satisfied with the guest lecture series.

MOU with Vidynyan solar power and electronics industries Pvt. ltd. It is made on 9th November 2021. It will work for training, workshop, and research and development in the Environmental Science subject.

Report – One week Industrial training Program at Malkapur

2018-2019

As the Microbiology Department having Industrial Microbiology Paper in three years degree course, students will get industrial job in future and if an industrial training program will be done at college level then it will enhance their skill along with theoretical knowledge and beneficial for finding the job. This thought keeping in mind Microbiology Department decided to send students for the same. Principal's permission was taken and further communicated with Chaitanya Biologicals Pvt. Ltd. at Malkapur. We got the permission on 31.12.2018 from their side and then students were noticed and interested 10 boys students were selected for an Industrial training program. List of student and their signature were taken and inform them to complete one week training program from 07/01/2019 to 12/01/2019.

During the training period they learnt about how to work in large scale industrial production unit, the processes of making nutrient media in crude form and how to maintain all the safety conditions while doing work and all other things. The time schedule for training period was 9.00 am to 7.00pm with one hour of lunch break.

After completing Training program all the 10 students got certificate of appreciation and all the students were satisfied and their knowledge and confidence was found to be increased.
